This year, the Company is using the notice-and-access procedures permitted by Canadian securities laws for the delivery of the Circular, the management's discussion and analysis, the consolidated financial statements of the Company and the auditor's report for the fiscal year ended March 31, 2019, and other related materials of the Meeting (the "**Proxy Materials**") to shareholders. Under the notice-and-access procedures, instead of receiving paper copies of the Proxy Materials, shareholders receive a copy of this notice of 2019 annual meeting of shareholders and notice of availability of proxy materials (the "**Notice of Meeting**") and a voting instruction form or a form of proxy. The use of notice and access allows for faster access to the Proxy Materials, contributes to the protection of the environment, is consistent with our environmental policy and helps reduce printing and postage costs.

**The Proxy Materials will be available online at [www.saputo.com/en/investors/shareholder-reports/2019](http://www.saputo.com/en/investors/shareholder-reports/2019) and on SEDAR under the Company's profile at [www.sedar.com](http://www.sedar.com).**
